

## 2011-12 Changemaker Award for Rotaract Clubs

Rotaract clubs are asked to complete the following form to assess the impact they have made this year. Clubs that accomplish at least **5** of the 10 activity options listed below will qualify for the 2011-12 Changemaker Award. All activities must be undertaken and completed between 1 July 2011 and 1 March 2012.

Once completed, this form is to be reviewed and signed by the sponsor Rotary club president to certify the Rotaract club's achievement, then sent to the district governor. The district governor must receive it no later than 15 March 2012.

**Do not send this form to Rotary International; forms sent to RI will not be processed.**

District governors will report the names of the qualifying Rotaract clubs in their districts online through Member Access no later than 22 March 2012.

### Menu of Activities

---

- Meet at least twice each month.
- Ensure that each member of the club is assigned a specific role, either in a leadership position or as a member of a committee or project initiative.
- Participate in at least one local project that serves the community.
- Carry out an environmental service project.
- Participate in at least one activity that promotes international understanding.
- Participate in a "Million Smiles A Day" campaign.\*
- Participate in a fundraiser to support polio eradication or one of Rotary's six areas of focus.
- Use social networking to increase awareness of Rotary among young adults in the community.
- Participate in professional development activities that enhance club members' ability to compete in the job market.
- Conduct an activity to promote The Four-Way Test, such as an essay competition or a discussion forum on ethics.

\*The concept of a "Million Smiles A Day" is simple: Club members — along with their families, friends, and colleagues — should consciously "give" one smile per day to another person through a good deed or gesture. As more people commit themselves to little acts of kindness each day, the global benefit will become enormous.
