### 附件一：通知 RI 青少年交換委員會之信函

**Subject:** Regarding~ Guilherme GOMES MAHTUK

To D4430/D4190 RYE Chairpersons, RCs, & Parents of outbound students:

My name is Kevin CHIU who serves as the protection officer for RYE D3490. Personally, I write this e-mail to you on behalf of D3490 RYE in order to tell you a pretty bad incident caused by Guilherme GOMES MAHTUK and Claudia Stephany MORALES MARTINEZ.

On 5-15, 2:40pm, Guilherme GOMES MAHTUK and Denise (comes from Brazil, who stays in D3520) stole 2 packs of condoms at a convenience store in Taipei city. Stephany was there and saw whatever happened.

At the end of this day, the store audited 2 packs of condoms and NT\$10 of copy fee missing. The manager checked the surveillance recording and found 3 international students who are suspicious about this stealing. Afterwards, in the next few days, this manager successfully identified these 3 inbound students via a language school nearby.

On 5-23 and 24, PP Jon and Mike (host RCs' RYE chairs) discussed with the manager and arranged a meeting for apology on 5-27 due to our busy schedule on 5-25 and 26 for RYEMT.

On 5-27, Mike (Keelung South RC's RYE Chair) showed up at the convenience store and the manager just illustrated the recording about their stealing. The manager requested all 3 students present a serious apology with reimbursement.

On 5-28, 4:30pm, Mike and all inbound students tried to apologize. However, Guilherme GOMES MAHTUK and Denise admitted only the stealing of 2 boxes of condoms. But Denise did not confess the stealing of NT\$10 of copy fee. The manager did not accept these students' bad attitude and had an argument for 10 minutes.

At 4:40pm, all of a sudden, the manager just called the police station for reporting a stealing.

At 4:45pm, the police showed up then took all of these 3 students to the police station.

At 5:00pm, the interrogation began. All students started to confess.

Stephany served as a witness of this stealing.

In addition to Mike, D3490 RYE Chair ISO PP, AG Pharma, and inbound student coordinator CP Ali went to the police station right away.

At 11:10pm, the interrogation was finished.

We feel very sorry to inform you that Guilherme GOMES MAHTUK will be charged the crime of stealing and the mediation of reimbursement. Since he is a junior, he will not be sent to the prison. However, both students can't go home in 2 weeks as scheduled by RI due to the forthcoming 2-month jurisdiction procedure in order to receive the verdict. D3490 has hired a famous lawyer, "Lawyer" (PE of D3490 Panchiao RC), for these 2 students. Children's rights will be protected. Please do not worry.

Sincerely,

D3490 RYE Chairperson, ISO PP.

Dear Youth Protection Officer Chiu:

Thank you for notifying us of this unfortunate situation. Please work with the students' sending districts to confirm that their natural parents have been notified as well. While the students remain in your district, please continue to ensure that they are hosted by suitable families that have been screened by your district in line with RI's certification policies. The students' counselors should also be in close communication with them to address any difficulties or problems that arise during what may be a difficult time period ahead. Please let us know if there are any serious developments, as well as the outcome of the trial and when the students have safely returned home.

Kind regards,

Kate Kate Hoeppel
